Rules and Policies

How to apply...

Overview of Different Provider Offers

Inside the online testing environment...

- Your account login
- Your exam credits
- Seat Count vs. Access Count
- Delivering exams with an “Exam Opportunity”

Things to Consider

Launch Plans

RULES AND POLICIES

RULES AND POLICIES FOR 2022

Certification New Rules

As an Academic Certification Provider you must read and agree to the following during the application process:

Before the Exam

- Provider applies for Academic Provider Program 10 business days before exam day
- Provider verifies the testing environment 10 business days before exam day
- **Students must create a VirtualTester account using their school email address**

During the Exam

- Students must take their own exams.
- If a student fails any segment of an exam, the student must wait 14 days before retaking the exam.
- Students must pass the CSWA exam first before taking any other certification exam.

Read and Confirm

- SOLIDWORKS monitors the testing environment during exams. We have a right to terminate a proctor or delete a certificate due to misuse of the Academic Certification Provider program.

SCHOOLS WITH STUDENT EMAIL ADDRESSES

- The use of 'official' school email addresses for students is encouraged
- **18875266@usc.student.com** as opposed to **BSmith8890@gmail.com**
- Anonymity of the school email address avoids the possible public disclosure of the students email address which is considered PII (Cubically Identifiable Information)
- After graduation, students can update their email address encouraging them to transport their account along with their careers'

SCHOOLS WITHOUT STUDENT EMAIL ADDRESSES

- You will be stuck using the outdated voucher code system
- You will not be provided access to additional reporting tools coming later in 2022
- You will not have access to **Expert** level exams (when available)

HOW TO APPLY

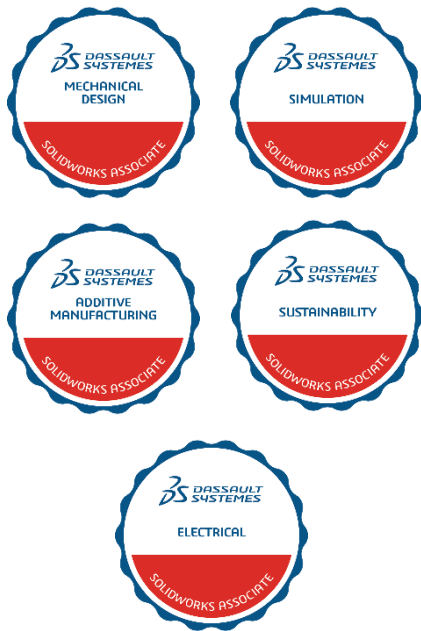

HOW TO APPLY

1. Go to <http://www.solidworks.com/cswa-academic> and click on the "SolidWorks Academic Certification Provider Application" link.
2. Complete the web application.
School Name
School Address
School Website URL
SolidWorks License Number
Contact Name
Contact Email
Contact Telephone Number
Your SolidWorks Reseller
Proposed Date to give the CSWA Exam
Proposed number of students to take the CSWA Exam
A Sample of Instructor's email domain, and a sample of student's email domain from the school.
3. This form is then reviewed by SolidWorks Education and SolidWorks Certification departments to validate the application (including the requirement of the school to be current with their subscription service)
4. Upon approval, the Certification department will create an online testing account for the contact person, based on their email address, **and issued a set number of exam credits based on license count**. The contact person will receive an email from virtualtester.com indicating their login credentials.

OVERVIEW OF DIFFERENT PROVIDER OFFERS

SOLIDWORKS Desktop Provider

Associate Level

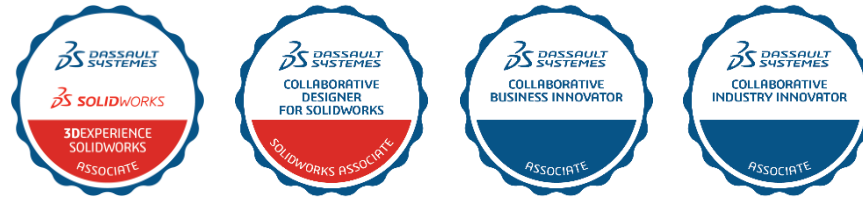

Professional Level

- 15 Exams total
- 1 Credit for each exam per seat purchased per contract term
- Mechanical Design Associate and Professional are delivered in segmented versions

3DEXPERIENCE SOLIDWORKS Provider (Future Offering)

Associate Level

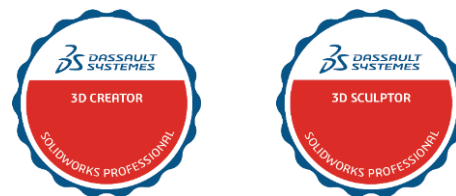

- 4 Exams total
- 1 Credit for each exam per seat purchased per contract term
- Mechanical Design Associate is delivered in segmented version

3DEXPERIENCE 3D Designer Provider (Future Offering)

Associate Level

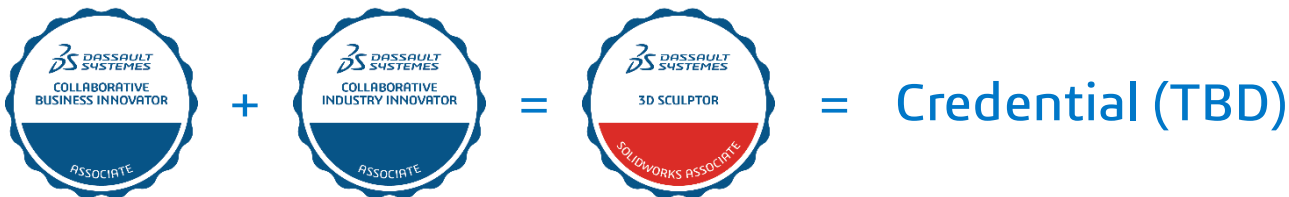

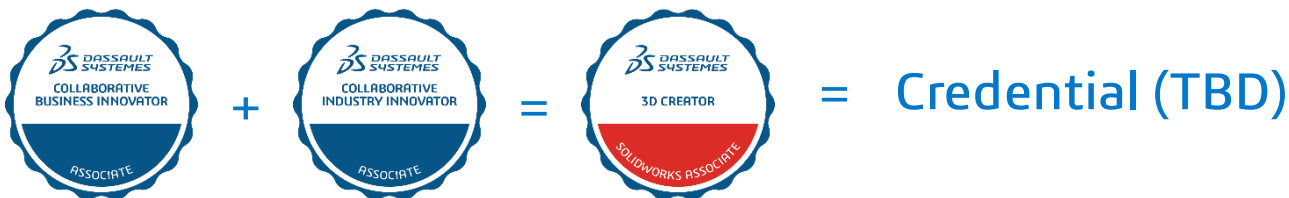

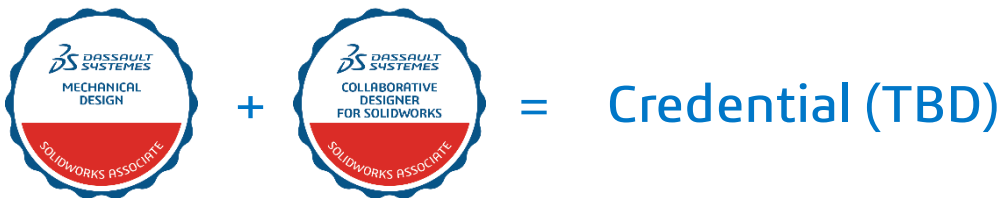

Professional Level

- 7 Exams total
- 1 Credit for each exam per seat purchased per contract term

News
June 2, 2021
The problems logging in for some CSWA Providers have been solved.
May 6, 2020
Digital Badges are now available for some SOLIDWORKS and 3DEXPERIENCE Exams. For more information please visit the [Digital Badges at Dassault Systèmes](#) page for more information.
July 22, 2019
You can now link your social media accounts to your Certification profile, giving other users a way to connect with you.

FAQs
Please visit the Support and Contacts page to the left for any support related questions.

Welcome to the 3DEXPERIENCE® Certification Center
The 3DEXPERIENCE® Certification Center is where you are able to login to manage your certificates, exam credits, and make changes to your account settings. It is also where you can use credits to create vouchers for others to use and take exams.
The 3DEXPERIENCE® Certification Center is the gateway to certifications for brands in Dassault Systèmes including SOLIDWORKS, CATIA, SIMULIA and DELMIA. For more information on the various certification offerings from these brands, please visit their respective sites:
[SOLIDWORKS Certifications](#)
[CATIA Certifications](#)
[SIMULIA Certifications](#)
[DELMIA Certifications](#)
Digital Badges Now Available for Some SOLIDWORKS and 3DEXPERIENCE Exams
In a continuing effort to add value to our certification program, Dassault Systèmes is launching Digital Badges for some of our certifications.
A digital badge holds a bit more recognition because of the governance behind it, plus the fact that anyone earning one needs to actually claim it, which shows the person is aware of the credential, and has claimed it.
For more information please visit this site to learn all about [Digital Badges at Dassault Systèmes](#).
How to take a Certification Exam?
Certification exams are available 24x7 by downloading the Tangix TesterPRO Client software from the link to the right and installing the software on your computer.

Download TesterPRO Client

UNDERSTANDING SEAT COUNT VS. ACCESS COUNT

IMPORTANT!!!

- The **seat count** is set at the School or District level (when account has multiple school locations)
- Each school and instructor is pulling from the same seat count quantity
- *Schools are given **Access** to X amount of different exams for every seat of SOLIDWORKS on subscription during each 12month period of the subscription term
- With an **exam opportunity** instructors can continue to create trackable access to exams without the distribution hassle of using voucher codes

UNDERSTANDING SEAT COUNT VS. ACCESS COUNT

*How many different exams do we get **Access** to?

- **SW Desktop Providers** are given access to 15 different exams
- **3DEXP SW Providers** are given access to 4 different exams
- **3DEXP 3D Designer Providers** are given access to 7 different exams

UNDERSTANDING SEAT COUNT VS. ACCESS COUNT

Example:

- A school district whom is a **SOLIDWORKS Desktop Provider** has 100 seats of SOLIDWORKS on subscription, and has 3 schools taking part in the Academic Certification Program. This means all 3 schools are sharing the 100 total seat count, and can have 100 students maximum participate in the free certification program
- Each student (up to the 100 student maximum threshold) will have **Access** to **15** different SOLIDWORKS exams
- In other words, 1500 total exams can be delivered among the 100 students
- Note: This includes retakes.

HOW TO CREATE AN EXAM OPPORTUNITY

1. Click on the exam from the "Description" column.
2. Click on the "Create Exam Opportunity" button

We kept the familiar interface in place 😊

The screenshot shows the SolidWorks certification management interface. At the top, there are tabs for Certificates, Your Exams, Your Credits, Team Info, and Settings. Below the tabs, there is a section for redeeming exam vouchers with a text input field and a 'Redeem' button. A red circle with the number '1' highlights the first row of the exam list, which is highlighted in yellow. The first row's description is '*SW Edu - SolidWorks Associate Part 1 of 2 (CSWA-EDU)'. A red arrow points from this row to a red circle with the number '2' that highlights the 'Create Exam Opportunity' button. A red text box with the text 'Button to Create Exam Opportunity' is also present. Below the exam list, there is a section for 'Exam Opportunities' with tabs for Active Vouchers and Redeemed Vouchers. The 'Active Vouchers' tab is selected, showing a table with columns: Tracking Tag, Status, Certification, Created By, Active From, Active To, Users, and Usage. The table is currently empty, with the text 'There is no data to display' at the bottom.

EXAM OPPORTUNITIES ARE CREATED

No Voucher Codes Needed

The screenshot displays the 'Your Credits' section of the 3DEXPERIENCE interface. At the top, there are navigation tabs: Home, Certificates, Your Exams, Your Credits (selected), and Settings. Below the tabs, there is a section for redeeming exam vouchers with a text input field and a 'Redeem' button. To the right of this section are buttons for 'Create Exam Opportunity', 'Show Transactions', and a refresh icon.

Below the voucher section is a table with two columns: 'Balance' and 'Description'. The table contains four rows of data:

Balance	Description
90	*SW Edu - SolidWorks Associate Part 2 of 2 (CSWA-EDU)
90	*SW Edu - SolidWorks Associate Part 1 of 2 (CSWA-EDU)
90	*Professional - MBD (CSWP-MBD)
90	*Associate - Simulation (CSWA-S)

A red arrow points from the 'Create Exam Opportunity' button to the 'Exam Opportunities' table below. A callout box with red text states: 'Exam Opportunity is now active and displayed here.'

The 'Exam Opportunities' table has three tabs: 'Exam Opportunities' (selected), 'Active Vouchers', and 'Redeemed Vouchers'. The table contains four rows of data:

Exam Opportunity

THINGS TO CONSIDER

SUGGESTED TIMELINE

For Exam Day Preparation

- **2-3 Weeks in Advance:**

- Ensure each student has been issued a school email address (Ex: r.jones@vols.ut.edu)
- Have students create a VirtualTester account with their school email address
 - **How?** From the 3DEXPERIENCE Certification Center web page <https://3dexperience.virtualtester.com>

- **1 Week in Advance:**

- Setup student access to Certification exam(s)
- Double check all students have been verified with VirtualTester
- If necessary, remind unverified students to complete VirtualTester account creation
- *Recommended:*
 - Have students take the free CSWA Practice Exam

- **Exam Day:**

- Students login to the TesterPRO Client and selects exam to begin
- No Voucher code needed

THINGS TO CONSIDER

There are two ways to create a VirtualTester account

1. Register a new account from the **TesterPRO Client software**

Tangix TesterPRO Client for Dassault Systèmes

Please complete the required fields below.

☐ I already have a VirtualTester UserID and password

☒ I do not have a VirtualTester UserID and password

THINGS TO CONSIDER

There are two ways to create a VirtualTester account

2. Register a new account from the 3DEXPERIENCE Certification Center web page

The screenshot shows the 3DEXPERIENCE Certification Center registration page. The header includes the Dassault Systèmes logo and the title '3DEXPERIENCE® Certification Center'. The main content area contains a form to create a VirtualTester account. The form fields are: Firstname *, Lastname *, Company / School, Email *, Address (line 1), Address (line 2), City, US State (dropdown), Postal code, and Country *. Below the form is a checkbox for 'I accept the Privacy Policy' and a CAPTCHA section with the text 'Enter the number from the picture shown:' and a box containing the number '782312'. A blue button at the bottom right says 'Create VirtualTester Account'. A red arrow points to the 'User' icon in the left sidebar.

This is the Preferred Method

No extra steps required

We already send the password by email to the user!
